Repair

Estimate

Examination of the warranty claim

For inspection, troubleshooting and cost estimation of each device we invest approx. 0.5 up to 3 hours working time. Due to this and steadily increasing expenditures, we are forced to charge € 65 per inspected instrument in case it will not be repaired or no new equipment will be ordered.

Medium in process:

Hazardous substance /contamination:

Yes

No

(In case of hazardous substance, please attach your specific safety data sheet.)

Instrument cleaned:

Yes

No

Cleaning agent:

(Caution: Dirty instruments can cause additional costs and the repair process can be delayed.)
